SUMMARY

The Department recommends that the Board of County Commissioners approve a one-year support grant agreement in the amount of \$636,336 with the nonprofit, Catholic Charities of Northern Nevada, from July 1, 2015 to June 30, 2016 in support of the senior nutrition program, including congregate and Meals on Wheels services, in order to implement national best practices and leverage the capacity of a non-profit nutrition services agency and approve necessary resolution for same.

Washoe County Strategic Objective supported by this item: Achieving Long Term Financial Sustainability

PREVIOUS ACTION

On April 28, 2015 the Board of County Commissioners (BCC) authorized the Department of Senior Services to begin negotiations with Catholic Charities of Northern Nevada for the operations of the Senior Nutrition Programs, including congregate and "Meals on Wheels" services in order to implement national best practices and leverage the capacity of a non-profit nutrition services agency.

BACKGROUND

Washoe County Senior Services, acting on behalf of Washoe County, is responsible for the operation of all facilities, administration of all funds received, including Federal, State and local grants, property tax, and voluntary donations, in conjunction with the Senior Nutrition Program.

The funds for the Senior Nutrition Program comes from a variety of sources: the Older Americans Act Title 111(c) for congregate and home delivered meal contracts through the State of Nevada Aging and

AGENDA ITEM # 19

Disability Services Division (ADSD); USDA/NSIP (United States Department of Agriculture/Nutrition Services Incentive Program) funding; local soup revenue; WIN (Waiver for Independent Nevadans) funding; program income, Storey County contract, donations, and matching funds for ADSD funds from the County Ad Valorem tax specifically set aside for senior programming and Indigent Funds.

The Federal requirements for the Senior Nutrition Program are that Washoe County provide and distribute one (1) meal per day per client, for two hundred and fifty (250) days per year, for an annual total of approximately 335,000 meals; approximately 113,400 of which shall be served in congregate settings and approximately 221,600 meals shall be home delivered. The menus must be designed and approved by a registered dietician to meet U.S. Department of Agriculture nutritional standards for older Americans. On February 28, 2011 the Board of County Commissioners awarded Invitation to Bid #2760-2011 for Food Management Services to Valley Services, Inc. **Valley Services, Inc.** has been the provider of the food management services for the Washoe County Senior Nutrition Program, since 2011 operating one (1) base congregate site (1155 E. 9th Street, Reno, NV 89512), where the meals are prepared, served, and distributed to approximately eight (8) congregate satellite sites, and to approximately five hundred forty (500) homebound clients in the defined service area, at a rate of \$3.676 per meal. Extensions the Valley Services management contract were approved by the Board of County Commissioners in 2013, 2014 and 2015.

Although there are benefits to providing senior nutrition services through contracts, which is used in many communities throughout the US, it is not considered the best practice model. In fact, the Department provided the same number of meals per year from 1992 through 2012, in part because its for-profit sub-contractors are neither able to leverage local resources to expand a program nor able to develop new resources that could benefit the County and its senior residents.

On April 21, 2014 the Board of County Commissioners authorized the Department of Senior Services to begin negotiations with Catholic Charities of Northern Nevada for the operations of the Department's senior nutrition programs, including the congregate and "Meals on Wheels" services in order to implement national best practices and to leverage the capacity of a non-profit nutrition services agency. The negotiation with Catholic Charities of Northern Nevada will allow the Department to grant local funds as allowed to NRS 244.1505 "**Expenditure of public money; grant of public money and donation of certain property to certain nonprofit organizations or governmental entities.**" This practice is used by other Washoe County agencies, including the Department of Social Services, under grant guidelines adopted by the BCC, which meet federal requirements of the Office of Management and Budget (OMB).

Initially this grant agreement will continue the current programs operated by the Department. Long term strategies will support local fund raising for Nutrition Services and higher quality services, including conducting home safety assessments and daily home visits to homebound seniors. The Department of Social Services partnership with the Children's Cabinet shows the potential of this practice.

The Department has offered local non-profits the opportunity to bid on these Nutrition Services, but none other than Catholic Charities of Northern Nevada have submitted proposals. The Department Director has met with the management and boards of several non-profits to discuss this proposal beginning in 2008, but none other than Catholic Charities of Northern Nevada has expressed interest.

Catholic Charities of Northern Nevada's (CCNN) Executive Director and Governing Board are committed to meeting the needs of Washoe County seniors. Their sister agency, Catholic Charities of Southern Nevada (CCSN) has successfully operated "meals on wheels" for seniors in Clark County, Nevada for many years under the same federal and state regulations that the Department will require of CCNN. CCSN has met with both CCNN and Department staff and has offered significant support for

transition planning and daily operations, including the use of USDA certified menus prepared by CCSN's Registered Dietician.

This proposal matches national best practices recognized by the US Administration on Aging and the Meals on Wheels Association of America. For example, a "public-private partnership" is operated by Loaves and Fishes, Inc., a private non-profit in cooperation with local government in the Portland, Oregon metropolitan area. Loaves and Fishes has operated congregate and "meals on wheels" services since 1970. The partnership has allowed them to expand the number of meals served to vulnerable seniors through local and corporate fund raising, and created opportunities for innovative health and wellness services for seniors.

FISCAL IMPACT

Funds for these expenditures, which are provided from a variety of sources, are included in the FY 15/16 adopted budget. The Funds are specifically allocated in the following accounts:

		<u>FY 15/16 adopted budget</u>
250511-710100	Nutrition-Nutrition Program	\$ 150,000
60307-710100	Indigent Fund -Nutrition Program	\$ 486,336

Funds are anticipated to be requested and approved for all future fiscal years applicable to agreement renewals.

RECOMMENDATION

It is recommended that the Board of County Commissioners approve a one-year support grant agreement in the amount of \$636,336 with the nonprofit, Catholic Charities of Northern Nevada, from July 1, 2015 to June 30, 2016 in support of the senior nutrition program, including congregate and Meals on Wheels services, in order to implement national best practices and leverage the capacity of a non-profit nutrition services agency and approve necessary resolution for same.

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve a one-year support grant agreement in the amount of \$636,336 with the nonprofit, Catholic Charities of Northern Nevada, from July 1, 2015 to June 30, 2016 in support of the senior nutrition program, including congregate and Meals on Wheels services, in order to implement national best practices and leverage the capacity of a non-profit nutrition services agency and approve necessary resolution for same."
